this book presents a broad view of contemporary social work exploring its roots and its possible future it dispels myths surrounding social work addresses media debates and offers a balanced account of what social workers do the book argues for a social work that is partisan in support of social justice

packed full of case studies activities and tools for real life practice this book covers all the main topics in the first year of both the undergraduate and postgraduate degree in social work to provide a holistic view of the field it used an integrated approach combining theory policy and practice

building on the successful 1st edition this reader brings together some of the most significant ideas that have informed social work practice over the last fifty years at the same time as presenting these foundational extracts the book includes commentaries that allow the reader to understand the selected extracts on their own terms as well as to be aware of their relations to each other and to the wider social work context there is no settled view or easy consensus about what social work is and should be and the ideas reflected in this volume are themselves diverse and complex the world of social work has changed greatly over the last ten years and this new edition reflects that change with new material on the decolonisation of social work knowledges the greater emphasis on inter disciplinarity and co production and the new concern for identities with an accessible introduction to contextualise the selections the book is divided into three main sections each presenting key texts drawn from a wide range of perspectives psychological sociological philosophical educational and political as well as perspectives that are grounded in the experiences of practitioners and those who use services which have contributed to the development of the profession of social work knowledge and values for social work and practice in social work by providing students and practitioners with an easy way into reading first hand some of the most interesting foundational texts of the subject it will be required reading for all undergraduate and postgraduate programmes and professionals undertaking post qualifying training

this book discusses the growth of professional social work focussed on facilitation of empowerment and change which is based on an inter related system of values theory and practice that involves the conscious application of values philosophy principles methods and skills in social work practice

social work is a human profession founded on social justice it is difficult however to negotiate this in the constantly changing context of the twenty first century now in its second edition this book considers the critical tradition of social work and updates it with postmodern thinking jan foock draws on critical reflection to help social workers deliver flexible responsible and responsive practice and to celebrate the ageless ideals of the profession key ideas covered in the text include postmodernism critical theories critical reflection contextuality the author draws on her own experiences to relate theoretical ideas to real life summaries exercises and further reading are also included in each chapter the book will be essential reading for all undergraduate students of social work it will also be a valuable resource for postgraduate students and qualified professionals who want to revisit the critical tradition of social work

soziale arbeit als profession und wissenschaftliche disziplin arbeitet mit und über grenzen hinweg grenzen zwischen individuen und gruppen zwischen staaten gesellschaften und kulturen soziale arbeit zwischen interkulturalität transnationalität profession und gesellschaftlichem wandel bringt angesichts aktueller herausforderungen immer wieder neue Überlegungen und facetten in den wissenschaftlichen und professionellen diskurs die autor innen der hier versammelten deutsch und englischsprachigen beiträge sind inspiriert von der person und dem werk von günter j friedenhahn social work as a profession and scientific discipline works with and across borders borders between individuals and groups between

states societies and cultures in view of current challenges social work between interculturality transnationality profession and societal change continues to bring new considerations and facets to the scientific and professional discourse the authors of the german and english contributions collected here are inspired by the person and the work of günter j friesenahn

introduction to social work by lisa e cox carolyn j tice and dennis d long is an exciting and timely new text that takes readers to the roots of the social work profession framing its history practice settings and career paths through the lens of advocacy closely aligned with the latest educational policy and accreditation standards epas the text goes beyond standard coverage to explore such cutting edge content as military social work environmental issues global international social work housing and more robust applied pedagogy and an emphasis on advocacy and reflective practice help underscore the transformative opportunities and contributions of social work on clinical client community national and international levels

the publication takes account of the fundamental developments transforming social work in europe at the beginning of the 21st century a european standard of social work has already emerged but models for future european social work are absent therefore the compendium gives an overview of the current transformation process for the first time discusses the visible and invisible changes and maps out where social work is positioned in the emerging post welfare states

this scholarly and engaging volume shows us where social work has come from and so helps us understand and shape its future the author has a gift for making the profession's complex history accessible whilst respecting its intricacy the result is an illuminating tour de force a book that gives perspective and hope suzy braye professor of social work university of sussex uk pierson's richly documented overview of social work's evolution in britain promises to support coming generations of social workers in learning from their field's responses to changing issues and ideas on assistance for those in need j lee kreader interim director national center for children in poverty columbia university usa this introductory textbook provides a concise account of the development of social work in britain from its beginnings in the industrial revolution to the present day the book seeks to recover overlooked experiences and important but forgotten debates whilst re examining the concepts and approaches developed by chief architects of the profession the book has several unique features designed to help students both understand the development of social work and to form their own judgements on the issues it raises timelines that mark important practice and policy developments discussion points that pose questions for readers to think through first hand testimony and excerpts from case records showing the viewpoints perspectives and decisions of social workers in earlier decades documentary material that encourages students to critically reflect on the present in light of the past understanding social work is written with the student and educator in mind in a style and format that makes the history of social work approachable relevant and profound the view of history embodied here is of a continuously unfolding many sided phenomenon that offers a rich source of ethical insight practical experience and moral guidance

i can say without equivocation this text is without doubt the best book about social work i have read chris beckett explores the purpose values activities and theories of social work in an ever changing social context that is clearly identified and examined stephanie petrie university of liverpool every day social workers face decisions that will significantly impact others lives and it is essential that these practical assessments are supported by a sound understanding of social work theory in this innovative and highly accessible textbook chris beckett explains how an understanding of these theoretical issues can improve the knowledge and skills base of professional practice essential theory for social work practice is an engaging and readable text with a distinctively realistic and honest approach to the realities of everyday practice framed in a comprehensive and logical structure part 1 establishes what social workers do and the tools they need part 2 considers how to assess handle and support change in others part 3 explores the wide range of roles that social workers must fulfil part 4 strengthens these links between theory and practice exercises case examples chapter summaries and practice notes are used to great effect in each chapter enabling students to apply theory to practice as they progress through the book the book is an invaluable core text for all undergraduate social work students and offers excellent support for practitioners in their every day practice

fully revised and restructured this fresh edition offers students and trainee social workers an incisive and authoritative introduction to the subject as well as entirely new sections on theory and practice the expert contributions which have shaped the companion s leading reputation have been updated and now include innovative standalone essays on social work theory comprehensively reworked new edition comprising six substantive sections covering essential topics for trainee social workers in effect six books in one includes an extensive introduction and chapters by leading experts on the focus and purpose of social work provides a unified textbook for trainees and an invaluable professional reference volume features a wealth of new material on theory and practice alongside detailed expositions of the social and psychological framework stages in the human life cycle and the objectives and core components of social work each chapter lists five key points to remember questions for discussion and recommendations for further reading

emphasizing the empowerment perspective this textbook integrates the cswe foundational content areas with themes of social justice the book takes a strong generalist eco systems approach while examining values and ethics cultural diversity social justice social work practice and human behaviour

social work an introduction to contemporary practice is an exciting new and uniquely comprehensive introduction to the field essential knowledge and skills are examined with authority and depth and key debates approached in an accessible informative and engaging way underpinned by research and advice to make close illustrative links with practice this text will stimulate interest and actively engage the reader richly supported throughout with examples and real life case scenarios the authors encourage the reader to adopt a critical and reflective approach furthermore as social work exists to help people through complex and painful transitions in life the book sets the relationship at the heart centre of social work

practice this text will be essential reading for social work students on undergraduate and post graduate training programmes newly qualified social workers and practitioners in a variety of settings

michael sherr and johnny jones have created an introductory textbook written for the future of social work their innovative approach integrates the knowledge of practice policy research hbse and field work with the associated skills and practice behaviors necessary for students to become fully competent social workers by the time they graduate the case studies that drive this book will engage students and present a clear picture of the profession to help them become invested in enhancing and restoring the well being of the individuals groups and communities they will serve back cover

there are certain questions that all students considering social work ask who are social workers what is it that social workers do how is the social work profession changing what does it take to become a social worker ira colby and sophia dziegielewski bring their decades of experience in social work practice and education to answer these questions this engaging text gives readers a practical guide to the many ways in which social workers effect change in their communities and the world the authors offer an overview and history of the profession introduce readers to the practice of social work at the micro mezzo and macro level and finally look closely at the many settings and populations that social workers work with while realistically portraying the pressures and obstacles that social workers face colby and dziegielewski communicate their own passion for social work

social work contexts and practice is a comprehensive introduction to the field of social work now in its third edition it continues to speak to both australia and aotearoa addressing common trans tasman concerns while at the same time responding to the unique experiences of social work within each country the book is divided into three broad sections part 1 explores the context of practice and the broad ranging influences that shape the profession particularly its vision and development part 2 then considers the diverse fields of practice in which social workers find employment and part 3 looks at the professional developments that both support and challenge social workers

the eighth edition of this classic textbook confronts students with the two central issues of the social work profession how can social workers help people deal with personal misfortune and what can social workers do to help bring about a just society answers to these questions come from the book s four main sections part one offers perspectives about social work and the kinds of things social workers do part two describes the major policies and programmes social workers use to help people part four discusses helping methods the ways clients are connected to social resources employed by social workers part five provides case studies that show these helping processes in action the field of social work s an excellent text for an introductory course in social work it provides the student with a general introduction to the principles of social work and proceeds to applications of specific social work methods providing case studies that illustrate the applications of these methods changes that

have been made in the eighth edition include new chapters dealing with case management and social work with families contemporary case studies such as an example of social work in an industrial setting current methods of social work practice and the latest techniques for applying these methods innovative ways of working with minorities new material reflecting the growing interest in working with self help groups

essentials of social work practice a concise guide to knowledge and skill development introduces readers to core concepts and skills that are vital to cultivating a successful social work practice unique in approach the book clearly connects human behavior theories to engagement assessment goal setting intervention and evaluation while also illustrating the fluidity between micro mezzo and macro level activities over the course of eleven engaging chapters students are introduced to the helping process ethical standards and strategies for working with individuals groups and families they learn about contemporary service delivery models and cutting edge programs that exemplify strength based ethically oriented and culturally relevant practice narratives and dialogues throughout provide detailed depictions of the use of core skills to bridge the gap between concepts and practice a variety of creative tools and techniques are offered for use with diverse clients every chapter features self care strategies to facilitate coping with common stressors in social work the final chapter emphasizes lifelong learning and informs readers of vital resources for on going professional development essentials of social work practice prepares future social workers to employ strategic interventions reflect upon their strengths and needs as a practitioner and maintain personal health and wellness throughout their career the book is an exemplary resource for foundational courses in social work for a look at the specific features and benefits of essentials of social work practice visit cognella com essentials of social work practice features and benefits
